Daniel Delgado

Hello, my name is **Daniel Delgado Núñez**, I am a **product designer** (UX & UI), with more than 7 years of industry experience, based in **Lima**, Peru.

Product Design Experience

2025... **RIMAC**

Product Designer

As a member of the CoE DX I work on the redesign of the B2B sale flows, contemplating both direct sales as well as through brokers.

2024-25 **Encora** *at* **Mibanco**

UX/UI Specialist

As an employee of Encora I worked for Mibanco assigned to the team that worked on their first landing page to open new accounts.

2024 **Tarjetas Peruanas Prepago**

Sr. UX/UI Designer

Leader of the fintech's design team. I'm responsible to create the basis from which the new experience of the app will be built.

2023/24 **Banco de Crédito del Perú BCP** ↗

Sr. UI Designer

Member of the Digital Sales tribe, and assigned to the upkeep and improvement of the bank's public website through new flows and usability auditories.

2022/23 **Multiplica Talent** *at* **BCP**

Sr. UI Designer

As an employee of Multiplica I worked for the Banco de Crédito del Perú as a third-party member, inside the Digital Sales tribe.

2020-21 **OP & Consultores Asociados** ↗

UX/UI Designer

Sole designer for the mobile app aimed to replace physical forms during field surveys in the Dominican Republic.

2020 **Group for the Analysis of Development** ↗

UI Designer

Brand and UI Designer for the delivery application managed by the Peruvian State "Mercado en Casa", during the COVID-19 pandemic.

Education
